Object

You are traveling through the Dark Continent with a group of explorers. Your mission is to capture a rare species of monkey. But be careful, one wrong move can mean death. You must capture this dangerous beast and live to tell about it!

Playing the Game

After loading the program enter your first name when the computer asks. Press RETURN to start the program. The computer will give you the situation you are in. You will respond by pressing one of two numbers on the RIGHTHAND controller. The

program will run until you make a decision that will take you to the end. To return the cursor to the screen at the end of the game, press the BREAK key. If you wish to play again, type RUN and press RETURN. The program will then start at the beginning.

Warranty

Datacomp will replace a defective program (at our option) from two (2) months of first purchase unless defect was caused by unreasonable usage of the program. Return to DATACOMP postage paid and with a proof of purchase.
